2016 SHIRAZ GRENACHE TEMPRANILLO *Margaret River*

Risky Business brings together the vision and decades of experience of grape grower/viticulturist Rob Quenby and vintner John Waldron. We have been sourcing fruit from Western Australia (primarily Margaret River), and Victoria's King Valley, producing small batches of fine and distinctive wines from each area.

Rob Quenby, owner of Quenby Viticultural Services (viticultural management) selects the best parcels from the best vineyards to use in the Risky Business range. Our focus is controlling quality through vineyard selection (often single vineyard) and sustainable vineyard management.

We selected fruit from Jindawarra & Happs vineyards to create this delightful wine.

2016 had a cool dry spring provided a steady even bud-burst to flowering, followed by a mild summer allowed even ripening and full development of colour and ripe tannins. Another great Margaret River vintage.
